**Things to know after you sign up for SJVS Courses**

1. After your account is created, your parent needs to go in and verify the courses. Once done, your school counselor will verify the course and your student will be assigned a teacher.
2. It is the responsibility of the student to monitor their **Student Dashboard** in order to see when placed with their teacher (*Placement should be on or around your requested start date*).
3. Once placed with a teacher, please go into your Student Dashboard and enter each course. Once you are in, watch the **Welcome Video** for each course and set up a **Welcome Call**.
4. Once a Class is **ACTIVE**, you will have **21** days in order to withdraw without penalty.
